**CANADIAN REGULATORS RELEASE POINT OF SALE  
DISCLOSURE FRAMEWORK FOR FUNDS**

June 15, 2007 (TORONTO) - Canadian regulators took an important step today on their proposals for providing investors with improved point of sale disclosure information.

The Joint Forum has released for public comment a “Proposed Framework 81-406; Point of sale disclosure for mutual funds and segregated funds.” A key element of the Proposed Framework is a two-page document called “Fund Facts”, which highlights critical information, including performance, risk and cost. This information will be presented to investors when they need it most – before they make a decision to buy a fund.

Copies of the Proposed Framework and accompanying backgrounder are available from the websites of CCIR ([www.ccir-ccrra.org](http://www.ccir-ccrra.org)), CSA ([www.csa-acvm.ca](http://www.csa-acvm.ca)) or the Joint Forum ([www.jointforum.ca](http://www.jointforum.ca)). The Joint Forum encourages all interested parties to review and comment on the paper. Comments should be submitted to the Joint Forum Project Office at the address below by October 15, 2007.
